

DEPOSITOR CONTROL PANEL

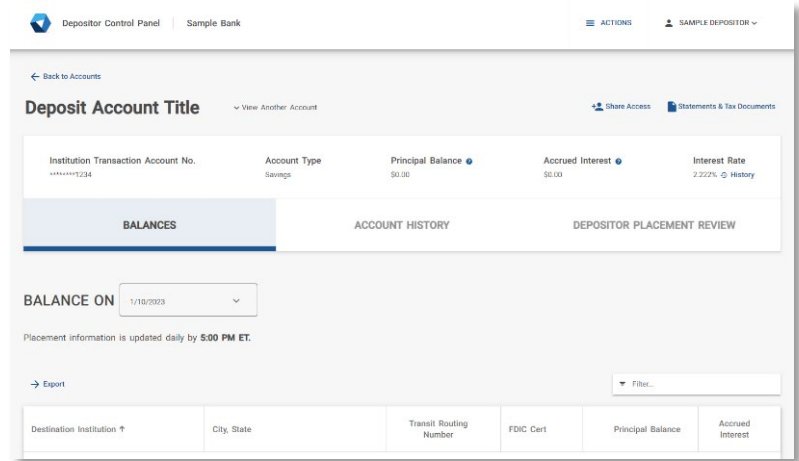

Getting Started

The Depositor Control Panel (DCP) is a secure website specially created to help you manage your ICS account(s).

Using the DCP, you can

- check your balances,
- view where your funds could be placed,
- review and manage daily proposed fund placements,
- track monthly program withdrawals, and view your transaction history.

[DepositorControl.com](https://www.intrafi.com/DepositorControl.com)

Current Balances

Check your balance at each Destination Institution, including principal and accrued interest.

Destination Institutions

View the list of institutions where your funds could be placed. This list does not contain institutions you have previously excluded.

Depositor Placement Review (DPR)

Review the proposed placements of your funds for that business day. You may review and reject any placements on the Proposed Placement List. DPR is available each business day from 3:00 to 3:15 PM ET.

Program Withdrawals

Keep track of your monthly program withdrawals, if applicable.

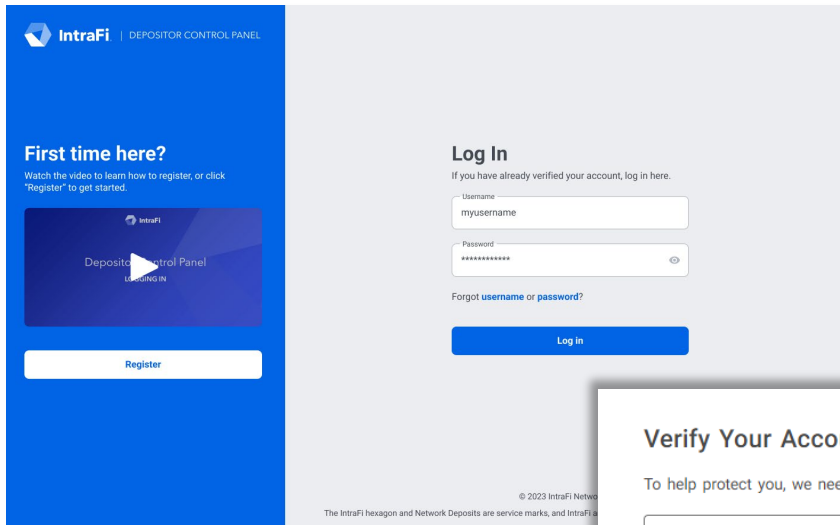

Transaction History

View the list of transactions for your account, including deposits, withdrawals, and capitalizations, over the last 45 days. Balance and interest rate history for the past 45 days are also available.

As always, you can contact us with any questions.

DEPOSITOR CONTROL PANEL

Getting Started

How to Access the Depositor Control Panel

The DCP is available at www.depositorcontrol.com.

If you are creating a new DCP account, click "GET STARTED."

Next, enter the applicable information to verify the account, including

- any account number associated with your ICS account(s),
- last four digits of your tax ID, and
- email address associated with the account.

Please create a new username and password, then click "VERIFY AND CREATE MY ACCOUNT."

You will receive an email from no-reply@depositorcontrol.com to verify your account. If you do not receive the email, please check your spam folder. Once you click the verification link in the email, it will take you back to the login screen to enter your username and password.

The image shows a screenshot of the "Verify Your Account" and "Create Your Username and Password" forms. The "Verify Your Account" section has the heading "Verify Your Account" and the text "To help protect you, we need you to verify your account." It contains three input fields: "Any one of your ICS Account IDs", "Tax ID/Other ID (Last 4 characters)", and "Email you provided for the account". Each field has a question mark icon to its right. Below this is the "Create Your Username and Password" section with the heading "Create Your Username and Password" and the text "To access the accounts associated to you, you must first create a Depositor Control Panel account". It contains four input fields: "First Name", "Last Name", "Username", and "Password". The "Password" field has a "show/hide" icon to its right. Below the "Password" field is a "Verify Password" field, also with a "show/hide" icon. At the bottom right of the form is a blue button labeled "VERIFY AND CREATE MY ACCOUNT". At the bottom left, there is a link: "Already verified your account? [Log In](#)".

Deposit placement through CDARS or ICS is subject to the terms, conditions, and disclosures in applicable agreements. Although deposits are placed in increments that do not exceed the FDIC standard maximum deposit insurance amount ("SMDIA") at any one destination bank, a depositor's balances at the institution that places deposits may exceed the SMDIA (e.g., before settlement for deposits or after settlement for withdrawals) or be uninsured (if the placing institution is not an insured bank). The depositor must make any necessary arrangements to protect such balances consistent with applicable law and must determine whether placement through CDARS or ICS satisfies any restrictions on its deposits. A list identifying IntraFi network banks appears at <https://www.intrafi.com/network-banks>. The depositor may exclude banks from eligibility to receive its funds. IntraFi and ICS are registered service marks, and the IntraFi hexagon and IntraFi logo are service marks, of IntraFi Network LLC.
