

Thoughts from Our Customers

“ You get the resources of a larger bank with the community bank relationship and feel. As we have grown, the Bank has grown with us hand-in-glove. We have always been able to be transparent with each other whether things are going good or bad! ”

- Justin Hatfield,
HECO

“ Wheeler Development Group has had the pleasure of working with First National Bank of Michigan throughout the years on large multi-family and commercial developments in West Michigan. They have become much more than our financier. We are partners and they provide value far beyond the loans we've executed with their team. ”

- Ryan Wheeler,
Wheeler Development Group

“ FNBM has great industry knowledge of what is going on in the world. I first heard about the PPP loans from FNBM and never ever heard from my own bank. Over the years, we setup positive pay, interest accounts for deposits, a check scanner in our office, and great rates on new commercial loans. The customer service is top notch! ”

- Mark Kolean,
Shoreline Technology Solutions

“ FNBM and our lender have helped us create our portfolio of multi-family properties. With creative structuring, we continue to grow our business. Having a valued partner on our side has been instrumental to our success. ”

- Jessica Starks,
Property Investor

Annual Report
2023

Letter To Our Shareholders

While 2023 presented new challenges to the banking industry impacting the current earnings of First National Bank of Michigan (FNBM), the Bank remains well positioned for future growth and to expand future earnings opportunities.

FNBM's total assets increased 4.7% from a year ago to \$980.2 million as of December 31, 2023, with gross loans increasing 13.4% to \$712.8 million. Total capital was \$70.7 million as of December 31, 2023, up \$8.1 million from year-end 2022.

For the year 2023, total interest income grew 34.2% to \$42.3 million from \$31.5 million for the prior year as a result of increased yield on earning assets and continued expansion of the commercial loan portfolio. For the same period, FNBM's interest costs rose 391.2% moving from \$3.8 million to \$18.7 million primarily due to the higher costs of deposits and borrowed funds, reflecting the impact of the rapidly rising interest rate environment. FNBM also experienced a change in its funding mix, consisting of a decrease in noninterest-bearing and lower-cost deposits and an increase in higher-cost money market accounts and time deposits, as customers sought additional FDIC insurance and higher yields. During 2023, FNBM recorded provisions for credit losses totaling \$0.7 million, down from \$2.1 million for the year prior. FNBM also increased non-interest income by 16.5% for the year while its non-interest expense, largely influenced by inflation, grew by 7.1%. Net income for the year of \$4.2 million was down 42.6% from the previous year's total of \$7.3 million and, as a result, diluted earnings per share also saw a decrease of the same percentage, moving from \$3.65 per share to \$2.13 per share.

FNBM maintained a "well-capitalized" position as of December 31, 2023, with a total risk-based capital ratio of 11.4%, compared to 11.6% as of December 31, 2022. At year-end 2023, FNBM had approximately \$11.2 million of capital above the 10 percent minimum regulatory threshold required to be categorized as a "well-capitalized" institution.

The Board and Management continue to expect net profits to rise through expense control and increased earning asset yields. Forty-two percent of FNBM's earning assets, as of December 31, 2023, are set to reprice within 12 months, and sixty-two and one-half percent of its earning assets are set to reprice within three years through variable interest rates and scheduled principal maturities.

The Company's year-end financial results showed slowing margin compression and stable profitability with improvements expected throughout 2024. As of December 31, 2023, the value of FNBM was independently determined to be \$41.00 per share, an increase of \$1.00 per share or 2.5% from September 30, 2023.

We continue to appreciate your referrals, investment, and the commitment you continue to place in First National Bank of Michigan - your local community bank. If you have any questions regarding the Bank or your investment in First National Bancorp, Inc., please let us know.
